# IMPORTANT

*You need to have Photoshop CS6 and above in order to edit this file. It doesn't work with other editing software.*

*If you don't have it, you can download a 30-day free trial here:*

*<http://www.adobe.com/products/photoshop.html>.*

*Follow along with the instructions below in order to begin editing your template.*

## 01

*Locate the files that you have downloaded. Make sure you unzip the files and extract all the contents. Save it to your desired file location.*

## 02

*Make sure to download the fonts required BEFORE you begin editing in order for the template to work properly.*

Quentin font link:  
<https://befonts.com/download/quentin>

*All the templates provided are easily and fully editable to reflect your own brand.*

## CHANGE PHOTOS

Open the files that you want to edit in Photoshop.  
Select the pictures that you want to change.

Then, simply double click on the photo layers.

After that, the picture will open in a new tab.

Click on File > Open and locate the picture that you want. Then, click open. The picture will then open in a new tab.

Simply drag and drop the picture to the layer files that we opened just now. Arrange and resize to fit the square. After that, click on File then save.

# CHANGE COLORS / FONTS

*All the colors and fonts are so easy to edit. If you have your own preferred fonts and colors that you already use in your brand, you can simply change it in Photoshop.*

*In order to do that, select the text that you want to change and select your desired fonts. The same thing goes with colors. Click on the elements/shape and select your own brand color.*

**If you want yours to look exactly like the template provided, make sure you've installed all the fonts required before you open the files in Photoshop.**
